Unfortunately most of the mazes in this book are repetitive black and white squares with a picture slapped in the middle (or the end, depending on the maze type). Also, many of the 'mazes' in this book are actually labyrinths. So if you or your child enjoy that type of activity, this book may be okay.

At the time the AA Big Book was written, many of the early members were what was once referred to as "last-gaspers". They had pursued their drinking to extreme lengths. Early on in their drinking careers, most alcoholics could have stopped. This is significant to those coming to AA sooner in their drinking than those first members.
