Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks).

Boy Underwater

Boy Underwater is a great book about a boy who lives with his mum. His mum doesn't let him go swimming, and he wants to find out why.

Boy Underwater by Adam Baron - Goodreads

Boy Underwater is as emotionally touching as it is deeply funny. It tells the story of a boy, Cymbeline, whose life is completely turned upside down when an accident during his first school swimming lesson, in fact his first swimming lesson ever, triggers a chain of events that lead to a family mystery that only he and his friends can solve.

June 2018 Debut of the Month | Boy Underwater is one of those rare books that manages to be both very funny and heartbreakingly sad. Being pulled to safety from the bottom of Lewisham Pool by classmate Veronique (losing his trunks in the process) is a terrible experience for Cymbeline Igloo, as it would be for any 9 year old, but it leads his mum to have a breakdown.

This book, Boy Underwater was very moving and had a lot of detail that made the points in the story very clear. I am reading this book for the Stockport book award. I feel that this book is more for older readers as a lot of the words that are in the story are words that younger readers would not understand. It was also very funny at times.

Underwater Moonlight is the second studio album by English rock band The Soft Boys, released on 28 June 1980 by record label Armageddon. Initially unsuccessful, the album has gone on to be viewed as a psychedelic classic, influential on the development of the neo-psychedelia music genre and on a number of bands, especially R.E.M.
