Building Handbook Quotes by Steve Jenkins - Goodreads

Building Bermuda is the source book for the construction industry. Each new construction project on the island is covered with in-depth, expert analysis through extensive interviews with the owner/developer, architects, engineers, contractors and other suppliers. Full colour, high quality photography gives an insider's tour.

Bermuda Media

I enjoyed KNOWN so much I purchased the Audible AND paperback version. As the title indicates, this is a handbook to be referenced often throughout the process of building your personal brand. The book appears to be geared toward building and nourishing personal brands for new entrepreneurs and solopreneurs.

Amazing island is a game with top-of-the-line customization. You have to play with a monster drawn by the computer at first, but then you clear the first course and you get a shot at things. You can make a dinosaur-like monstar with a gigantic left arm or a humanoid monster with miniscule porportions.

If you're lucky then a few eye-catching structures tell you what materials you need, but otherwise it's mostly a fancy brochure showing what can be done - NOT how to do it for the most part. Case in point is the impressive-looking 'Floating Island' (like a castle that floats in the air). The steps are pretty much just: 1. Mark the outline 2 ...
