Beyond these skeptical and neutral alternatives, there are key steps forward in Cervantes's worldview. These four essays detail Don Quijote's anticipations of many of the same ideas and values that drive today's multiculturalism, feminism, secularism, and materialism. An important thesis here is that the Enlightenment remains the best vantage point from which to appreciate the novel's relation to the discourses of such movements.

A Letter Concerning Toleration by John Locke was originally published in 1689. Its initial publication was in Latin, though it was immediately translated into other languages. Locke's work appeared amidst a fear that Catholicism might be taking over England, and responds to the problem of religion and government by proposing religious toleration as the answer.
