pavement below, causing instant death.

Death On My Doorstep

I used to find PERFECTLY severed organs on my doorstep quite often, and needless to say I was very spooked. Just a stomach of some animal, or just the liver. Finally, I followed my cat around one day and watched her perform this "surgery" and indeed she somehow managed to pull the organs out cleanly and finish off the rest of the body.

Someone is leaving dead animals on our doorstep : nosleep

at death's door On the point of dying, very ill, as in Whenever she had a bad cold she acted as though she were at death's door. The association of death with an entry way was first made in English in the late 1300s, and the phrase itself dates from the mid-1500s. Today it is often used as an exaggeration of ill
