With the help from Environmental Design to move some 50+ year old oaks from the neighboring property we are creating a landscape that looks as though Mother Nature provided. The views from the ranch house are entirely focused on the one lone, giant oak and it instantly became one of the most iconic elements in the project.

FOUR AND ONE

Forum Studio (Clayco's original architecture practice, created in 1999) merged with technology firm Bates in 2018, creating BatesForum. In June 2019, Clayco combined the design practices Lamar Johnson Collaborative and BatesForum to create an integrated practice staffed by more than 240 professionals.

27 reviews of MasterAZscapes "Masterscapes has just completed our backyard project. Mike was our designer/sales person. He is a good landscape artist. Things seemed to click when--instead of having him design within the constraints of our budget--I asked him to design an ideal image of our back yard that we could pick and choose elements from.
