Shinrikyo Apocalyptic Violence  
And The New Global Terrorism

The premise of Destroying the World to Save It is terrifying: after studying the history of the Japanese cult Aum Shinrikyo (instigators of a 1995 nerve gas attack on a Tokyo subway), the author believes them to be only one group in a "loosely connected, still-developing global subculture of apocalyptic violence."

to save it is the most insane path of all is absolutely correct. The US needs to take a stand and show the Arab World that it will help its allies, which Lebanon has always been. Hezbollah can be dealt with after the US saves the country and shows the people of that beautiful land that they do not need to ...
