It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Forbidden Beyond Borders Book 1

The Forbidden Borders, an unassailable gravity-powered barrier, confine rival human empires to a few star systems, leaving them to strive endlessly against one another for domination. Now the balance of power has shifted so drastically that the long-dreaded final war between Rega and Sassa, the last surviving empires, is about to begin.
