INTJ (introverted, intuitive, thinking, and judging) is one of the 16 personality types identified by a personality assessment called the Myers-Briggs Type Indicator (MBTI). Sometimes referred to as the "Architect," or the "Strategist," people with INTJ personalities are highly analytical, creative and logical.

INTJ Personality: Characteristics, Myths & Cognitive Functions

INTJ. INTJs often attempt to approach a breakup in the most logical way possible. They do not enter into a relationship without truly considering what it means to them, and if it makes sense. They will likely do whatever it takes to make things work, and will only end things if they realize that it is absolutely necessary.
