Easy to forget, easy to get tired of it. Saying this because I made more than one pause, while reading this. And when I got back it was hard for me to remember what happened before, except the main plotline of MC being something like AI/"creation" and ML following him after the first world. What bothered me: the whole beastiality thing, like f\*ck no.

The plot is very silly, and the cast did a good job not taking their characters too seriously. Plot: As the plot is bipolar, so must my review be. To avoid spoilers I will simply refer to the two plot arcs as "Arc A" and "Arc B." Arc A was everything you expected it to be; the story was funny, sweet, and entertaining.
