Practical international tax planning

Mr. Langer is the founding author of Langer on Practical International Tax Planning and has also written several other books. He teaches online to students of Thomas Jefferson School of Law, San Diego. In 1990, Mr. Langer was chosen as Outstanding Tax Attorney of the Year by the Florida Bar Tax Section.

MoneyShow.com

Complex calculations, combined with compound legal structures and intercompany transaction flows, have created an international tax environment that can be difficult. Many tax departments are struggling with these challenges during a time when high-quality international tax personnel are becoming increasingly hard to find, attract, and retain.

International Tax Services

The new guidelines provide practical explanations of how to apply the rules regarding limitations on deductions for interest expenses, the operation of the exit tax, and the CFC rules. The exit tax is intended to eliminate tax advantages for companies that develop intangible assets in the EU but move them to low or no tax territories before ...
