For further information or For more information?

It sounds better to say "We will let you know if any further information is needed," because "getting back to" someone implies that further communication is necessary. In this case, further communication is only necessary if more information is needed. We will let you know if any further information is needed

We will let you know if any further information is needed

...

One last tip: if you want to follow the rule set up by an 18th century stickler because his opinions about than have been repeated for centuries without real justification, imagine a verb following the pronoun you want to put after than. It's not "more annoying than them (are)"; it's "more annoying than they (are)." You're welcome.

'Than I' vs. 'Than Me' | Merriam-Webster
