Advanced Specialty Certification Training Courses - AAPC

I'm a chart auditor for a large urology group and there is some dispute on our providers providing a consult in the ER. Patient is Medicare and we are NOT admitting the patient to our service. I was told that we should be using 99201-99205 or 99212-99215 as the patient is "out patient" and we were asked to come to the ER to provide a consult.

My physician asked to consult in ER - Medical Coding
