Wildlife-friendly designs, edible gardens and other sustainability-minded concepts were some of the top themes at this year's RHS Chelsea Flower Show, held virtually May 18 to 23, 2020. The live event, normally held in London, was canceled due to the coronavirus pandemic.

### Earth-Friendly Garden Ideas at the RHS Chelsea Flower Show ...

Add coffee grounds directly to the soil in your garden. You can scratch it into the top couple inches of soil, or just sprinkle the grounds on top and leave it alone. In smaller amounts, especially when mixed with dry materials, coffee grounds will give up their nitrogen.

### How to Use Coffee Grounds in Your Garden

Be aware of the hardiness zone in your area before you decide to buy plants. Some plants might not survive over winter! Based on the minimum ten-year average winter temperatures, plant hardiness zone maps have been progressively developed, first by the Department of Agriculture (USDA) for the United States and then more or less applied to the rest of the planet.

### Hardiness Zones in the United Kingdom
