You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

The Panasonic Gx9 Menu System

Diving into the MENU system. When you switch on your Panasonic Lumix GX9 you'll be asked to enter a date, time and timezone. This setting is necessary, as all images captured will have a timestamp, making it easy to find your favorite pictures in the future. After this is setup, press the MENU button. You'll see a range of icons and pages.
