We the Students | SAGE Publications Inc

Certainly, students do not "shed their constitutional rights ... at the schoolhouse gate," but those rights are often balanced against other values we hold dear. Jamin B. Raskin's We the Students: Supreme Court Cases For and About Students explores this tension in a casebook format aimed at students themselves. The book is a welcome addition to the literature available for teachers and students about Supreme Court decisions.

We the Students: Supreme Court Cases For and About Students

We the Students: Supreme Court Cases for and about Students. This casebook intends to show young people that their rights, their way of life, and indeed sometimes their very life, can depend on one remarkable document, the Constitution of the United States. The casebook is about the United States Constitution and how the Supreme Court and lower courts have interpreted it to govern the lives of U.S. public school students.

Select two teams of two students each to argue the case. One team should represent Adam and Betty and the other team should represent the school system. Then select nine students to serve as Supreme Court justices. The student-attorneys should compose ten-minute oral arguments to present before the Court to explain why the Barnett decision supports their position.

We the Students: Supreme Court Cases for and about ...

We need laws that uphold our rights so that the rulings of nine justices have less weight. We need to expand the number of justices serving on the Supreme Court. We need checks and balances on them. We need term limits and a voting system in place so that the justices serving start to reflect the population better.
